SIR,

Adverting to para 5 of Government Order No.J.1380-91/Pris. 30-08-2 dated the 9th November 1910, requesting that the suggestion to entrust the task of sealing the doors of female lock-ups to the Police Duffedars (who are next lower to Lock-up Officers but responsible and stationary officers) in the case of Taluk Lock-ups and to the Lock-up Duffedars in the District Lock-ups, when and where it is not feasible to employ temporarily a female guard, may be given effect to as a tentative measure for a period of two years and a report submitted as to the working of both the arrangements, I have the honor to report as under:-

(1) The District Magistrate, Bangalore, reports that there was no occasion to try the system in the Taluk Lock-ups of Devanhally, Dodballapur, Nelavangala, Magadi, Hoskote and Anekal, as no female prisoners were admitted into those Lock-ups during the past 2 years and that the system of entrusting the task of sealing the doors in the case of other Taluk Lock-ups in his District by the Duffedars was found to work satisfactorily.

Subject.

Requests the continuance permanently, of the existing systems re sealing the doors of female Lock-ups by Police Duffedars, when & where it is not feasible to employ temporarily a female guard, for reasons stated.

Lock-ups and the Lock-up Duffedar in the District Lock-up and that this arrangement has worked satisfactorily.

(3) The District Magistrate, Tumkur, reports that no complaints have been brought to light regarding the working of the system of entrusting the task of sealing the doors of the female Lock-ups by the Duffedars in the case of Taluk Lock-ups and the Lock-up Duffedar for the District Lock-up and that there was only one instance in the District in which a female guard was employed for a few days.

(4) The District Magistrate, Mysore, reports that the former system worked well and that the latter system also worked satisfactorily in an instance where a female guard was employed to attend on a female prisoner confined in Mandya Taluk Lock-up.

(5) The District Magistrate of Hassan reports that the former system has worked satisfactorily in the District Lock-up at Hassan and the Taluk Lock-up at Saklespur and that coolies are avilable in the Arkalgud Taluk for being employed as guards whenever required for guarding female prisoners and that there was no opportunity to give effect to the suggestion in the case of other Taluk Lock-ups, as there were no prisoners confined thereat.

(6) The District Magistrate, Shimoga, reports that the former system worked satisfactorily and without inconvenience and that in regard to the latter system, certain practical difficulties are experienced in securing the services of female guards, owing to the smallness of the wages offered.

(7) The District Magistrate of Kadur reports that, there were no instances in which the trial was given effect to,

as

as no female prisoners were received in the Lock-ups of his District.

(8) The District Magistrate of Chitaldrug reports that, in all the Lock-ups except those of Molakalmuru and Hosadurga, female prisoners were admitted and that the former system was given effect to and that it had worked satisfactorily and without any inconvenience.
